

INDIAN INSTITUTE OF TECHNOLOGY (INDIAN SCHOOL OF MINES), DHANBAD
DEPARTMENT OF CIVIL ENGINEERING

Mid Semester Examination (Monsoon Semester) (2025-26)

NCES101- Engineering Graphics

Date : 21-09-2025

Time : 09 AM to 10 AM

Duration : 1 hour

Total Marks : 20

SET A

Notes: Answer all the questions in the drawing sheet only.

This question paper has a total of 2 questions printed on 1 page.

Any data found missing can be assumed suitably.

1. A line AB measuring 80 mm long has its end 60 mm above HP and 20 mm in front of VP. The other end is 15 mm above HP and in front of VP. The front view of the line is 60 mm long. Draw the projections of the line. [10]

2. A circular plate (of negligible thickness) of diameter 60mm is kept on the VP on a point of its circumference. The surface of the circular plane makes an angle of 40° to the VP. Draw the projection of the circular plane when diameter passing through the point on VP (on which it is resting) makes an angle of 30° to the HP. [10]
